

RAPID CRACK REPAIR RESIN KIT

ARDEX P 10 SR

- Easy to use, no mixing equipment required
- Fast setting and load bearing in as little as 20 minutes
- Full kit provided for the stitch repair of cracks and joints
- Low viscosity with high penetrating capabilities
- Odourless and low emissions

ARDEX P 10 SR is designed for the rapid repair of non-structural cracks, joint sealing and as a rapid general-purpose adhesive. It's a quick hardening solvent free polymer-modified 2 component silicate resin system. The kit is very easy to use and includes stitching pins, protective gloves and mixing/dosing bottles.
